# OUT THERE STARTS HERE™

Aquila Catamarans was founded on a belief that better was possible—and that the best way to get **Out There** was to think out there. With decades of boatbuilding experience and a global collaboration of award-winning designers and engineers, Aquila has become the world leader in performance-driven, innovation-packed catamarans.

But “Out There” isn’t just where our boats take you. It’s how we think, how we build, and how we push boundaries – challenging conventions in everything from hull design to onboard experience. Every model is born from out-there ideas, cutting-edge technologies, and a relentless pursuit of what’s next.

Today, hundreds of new Aquilas cruise waters across the globe every year, each one crafted with the reliability, durability, and confidence that only comes from a forward-thinking legacy.

Because **Out There Starts Here** – in our designs, our mindset, and in every journey that begins aboard an Aquila.

CARYSFORT LIGHTHOUSE, FLORIDA

KELINGKING BEACH, INDONESIA

# INSPIRED BY THE ISLANDS. DESIGNED AND BUILT BY THE WORLD.

Catamarans are believed to have originated in **Indonesia** circa 3000 to 1500 BCE. The shallow draft mitigated the risk of running aground, and its twin hulls provided essential stability in treacherous waters. Long-time boaters and colleagues **Lex Raas, John Xiong** and **Bill McGill** recognized the potential of this ancient engineering and worked together to create **Aquila Power Catamarans**.

Born in **Johannesburg, South Africa**, Raas sailed anything and everything he could, entering his first regatta at age four. Xiong's **Sino Eagle** shipyard is a globally recognized

producer of kayaks, rowing shells and surfboards, some of which have been used in the Olympic Games. Together with the impressive distribution reach of **MarineMax** led by McGill, Aquila was launched.

Aquila's **Clearwater, Florida** headquarters—led by Jean Raas—drives design, product development, marketing, purchasing and post-sales service. Aquila has also worked with world-renowned yacht design firms such as J&J Design in **Ljubljana, Slovenia**, Peart Yacht Design in **Cape Town, South Africa** and VPLP in **Paris, France** to bring best-in-class

design sensibilities, innovation, and sustainability considerations to the portfolio.

Our state-of-the-art facility in **Hangzhou City, China** brings together leading components from global suppliers such as Volvo Penta, Raymarine, Kohler, and hundreds of others. Sophisticated tooling and ventilation systems, extensive process and quality controls, substantial use of solar power, and a workforce of more than 500 employees combine to make Aquila the world leader in power catamarans.

L-to-R: Frank Xiong, Bill McGill, John Xiong and Lex Raas

Power catamarans offer several distinct benefits over monohulls.

#### **GREATER STABILITY & COMFORT**

The dual-hull design of catamarans minimizes rolling and pitching motions, resulting in a smoother, safer ride, especially in rough seas.

#### **MORE SPACE**

Single hull boats usually taper to a point, which means space gets narrower as you move towards the bow. On a catamaran, this space constriction does not happen. The wider beam allows for multiple cabins, spacious lounging areas, and ample storage.

#### **BETTER MANEUVERABILITY**

Twin-hull configuration and shallow draft makes power cats easier to handle in tight situations, such as docking, navigating channels and inlets, or getting close to idyllic shallow-water locations.

#### **FUEL EFFICIENCY**

Catamarans experience less water resistance and improved hydrodynamics, reducing fuel consumption. The twin hulls allow the boat to glide more easily through the water.

We obsess over the details.  
So you don't have to.

#### **SAFETY FIRST**

All Aquila models are CE Certified by the International Marine Certification Institute, the only international certification for recreational boats.

#### **GREATER STRENGTH**

Aquila power cats are made using a resin-infusion process for superior strength and consistency. It eliminates most air voids which can compromise the hull's integrity.

#### **QUALITY MATERIALS**

We only use vinylester resin for our hulls. It's resistant to heat, chemicals, water, corrosion, and has a high impact strength. Most boats are built with low-quality polyester which can crack and blister easily.

#### **MORE THAN MEETS THE EYE**

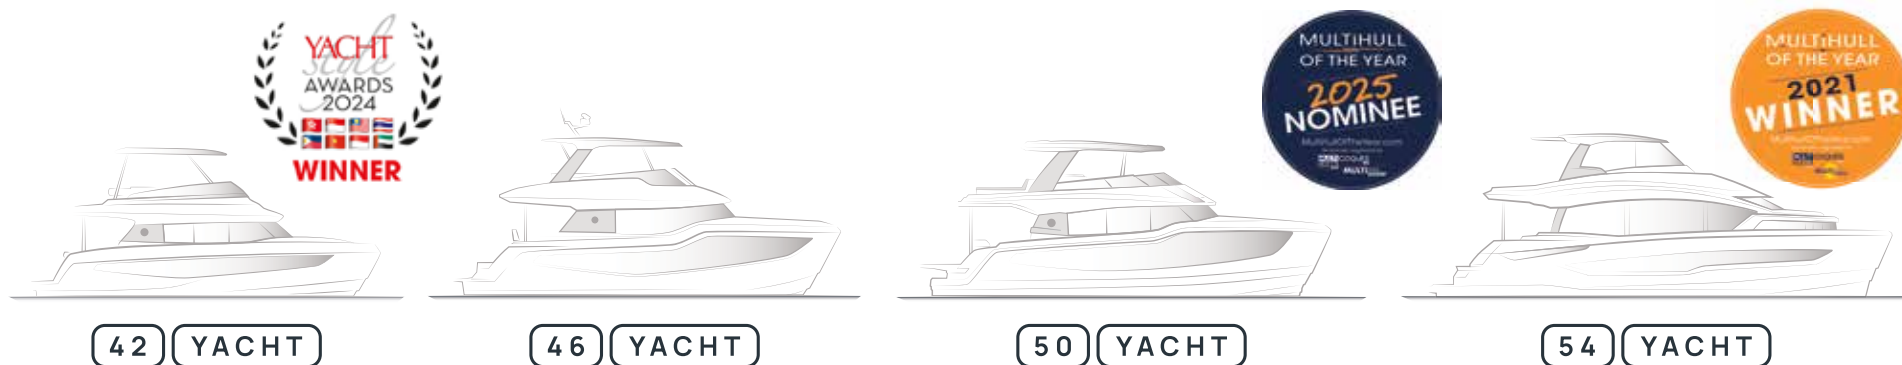

For us, it's all about the details: expansive laminated glass for panoramic views, bulbous bows on all Yacht models for a smoother ride, meticulously designed hulls, easy bow-to-flybridge access, a patented davit crane for the water toys, ample storage for all the comforts of home, and more!

# WE DON'T LIKE TO BLUSH BUT...

... it's nice to be recognized.

And it's nice that others in our industry appreciate the effort that goes into making a great power catamaran.

This is the life Aquila Yacht power catamarans are made for: long-range escapes and effortless entertaining. With unmatched stability, spacious design, and smooth performance, these yachts make every mile feel like a reward. Panoramic salons. Expansive flybridges. Wide-open bow decks. It's all crafted to help you enjoy the journey as much as the destination. With luxury touches throughout, you'll feel completely at home along the way.

Because out there, wonder awaits.

SANIBEL ISLAND, FLORIDA

A high-angle, wide shot of a deep blue ocean with white, frothy waves breaking in the lower right corner. The water's surface is textured with small ripples and larger, more turbulent waves. The sky is a clear, pale blue, visible at the very top of the frame. The overall scene conveys a sense of vastness and movement.

54

## YACHT POWER CATAMARAN

The award-winning **Aquila 54 Yacht power catamaran** delivers yachting without compromise. Its commanding 25'2" beam, panoramic salon, and expansive flybridge create an exceptional platform for entertaining and extended cruising. Available in 3, 4, or 5-cabin layouts, plus skipper's quarters and galley-down options, it offers unrivaled space and elegance. From full-size refrigeration to premium finishes throughout, this remarkable yacht transforms every journey into a rewarding adventure where discovery and comfort coexist perfectly.

# ENJOY PANORAMIC OUTDOOR VIEWS

---

---

The wide, open deck space invites relaxation while the powerful engines give you the freedom to explore new horizons.

---

Whether you're cruising along the coastline or anchoring in a secluded cove, every moment on a power catamaran feels like the ultimate escape.

# YOUR HOME AWAY FROM HOME

---

Life on a boat is like living in your own floating sanctuary, where every day feels like an adventure. With the gentle sway of the water, you're surrounded by the peace and beauty of nature, yet you're never far from the comforts of home. From cozy mornings on deck with a cup of coffee to watching sunsets over the horizon, the boat becomes a personal haven that connects you to both the sea and yourself. Whether you're anchored in a calm bay or cruising along the coast, life on a boat offers the perfect blend of freedom, serenity, and home-like comfort.

Owning a yacht is an investment in unparalleled freedom, offering the ability to explore new destinations at your own pace while enjoying luxury at sea. It provides a private sanctuary away from the hustle and bustle of everyday life, where you can unwind in style and create unforgettable memories with family and friends. With a yacht, you're not just purchasing a vessel; you're buying the ultimate lifestyle, one that combines adventure, relaxation, and exclusivity. Whether it's for thrilling water sports, tranquil sunsets, or hosting unforgettable gatherings, a yacht transforms your time on the water into an extraordinary experience.

The background of the entire page is a photograph of a deep blue ocean with white-capped waves. On the right side, a white wake from a boat is visible, curving away from the viewer. The sky is a clear, pale blue at the top of the frame.

50

## YACHT POWER CATAMARAN

The **Aquila 50 Yacht power catamaran** elevates the yachting experience. Its distinctive "Explorer" aesthetic with commanding high freeboard creates an immediate impression, while the expansive flybridge offers the perfect space for al fresco entertainment. The standard 3-cabin layout features a single-level, full-beam owner cabin that rivals much larger yachts. With refined finishes, panoramic windows, and multiple configuration options, it invites exploration in sophisticated style without compromise.

# NEW ADVENTURES AWAIT

---

---

Open up a world of exploration, where every journey brings new sights and experiences. From discovering hidden coves and remote islands to navigating through scenic coastal waters, every trip feels like an escape into nature.

---

The thrill of being on the water, whether it's fishing, water sports, or simply cruising, makes each adventure a chance to create unforgettable memories.

# GATHER FRIENDS AND FAMILY

---

Whether you're grilling a simple lunch on the deck or indulging in a gourmet spread, the atmosphere makes every bite feel special. With fresh sea breezes and the sound of the water setting the perfect backdrop, sharing a meal with friends or family while drifting on the water creates a sense of camaraderie, making the food even more delicious. And with the endless horizon around you, every meal feels like a celebration of nature's beauty.

*Flybridge Summer Kitchen*

Comfortable Salon Dining Area

The image shows the interior of a modern yacht cabin. In the foreground, a large bed is neatly made with white linens and several pillows, including two large white ones and two smaller brown ones. The headboard is a dark, textured panel. Above the bed, there are three large, curved windows that look out onto the water and the yacht's exterior. In the background, there is a seating area with a white sofa and a small table. The walls are finished with light-colored wood paneling, and the ceiling has recessed lighting. The overall atmosphere is bright and spacious.

50

A wide-angle photograph of a blue ocean with a white wake from a boat. The sky is a pale blue. In the upper left, there is a white rounded rectangle containing the number '46'. To the right of this rectangle is the title 'YACHT POWER CATAMARAN'. Below the title is a paragraph of text.

46

## YACHT POWER CATAMARAN

Long-range escapes, effortless entertaining, and those rare moments when comfort, capability, and beauty converge. Designed for those who want larger yacht innovation in a more intimate package, the **Aquila 46 Yacht power catamaran** delivers. Enjoy expansive outdoor areas with stylish lounges and integrated gathering zones, and a spacious interior with panoramic windows that flood the salon with natural light and ocean views. With CE category A rating for confident open-water exploration, multiple cabin configurations for extended adventures, and the optional Aquila Hydro Glide® foil system for greater range and improved efficiency, this yacht adapts to those who chase the horizon differently.

# EXPERIENCE FRESH HORIZONS

---

---

Embrace endless possibilities on the water, where each voyage unveils fresh destinations and moments. From seeking out secluded bays and untouched shorelines to charting your course through stunning waterways, every adventure becomes your own personal retreat.

---

The excitement of life at sea, from reeling in your catch to riding the waves or gliding along the coast, turns every outing into a moment worth remembering.

# THOUGHTFUL INTERIOR

---

From a quick bite at the helm to an elaborate feast prepared onboard, dining takes on new meaning out here. The salt air and rhythm of the waves turn every meal into something memorable. Gathering around the table with those who matter most, surrounded by open water, brings people closer together in ways that landlocked dinners never could. With nothing but sky and sea in every direction, each shared plate becomes a toast to the moment itself.

*Ample Galley Preparation Space*

*Flybridge Dining*

*Aft Liftgate Bar Area*

*Comfortable Salon & Galley*

The image shows a luxurious yacht cabin. On the right, a large bed with white linens and a grey headboard is visible. To the left, a vanity area with two white sinks and chrome faucets is set into a light-colored wooden countertop. A large window behind the vanity offers a view of the blue sea and a distant shoreline. A black vertical pole stands near the vanity. The ceiling is white with recessed lighting, and a skylight is visible in the upper right. The floor is made of dark wood.

46

The background of the entire page is a photograph of a sunset or sunrise over a body of water. The sun is low on the horizon, creating a bright, shimmering reflection that stretches vertically down the center of the image. The sky is a gradient of warm colors, from a pale yellow at the top to a deep orange near the horizon. The water's surface is textured with small, dark ripples, and the overall lighting is soft and atmospheric.

42

## YACHT POWER CATAMARAN

The award-winning **Aquila 42 Yacht power catamaran** delivers exceptional space and comfort in a perfectly sized package. Its impressive 21'0" beam creates remarkable interior volume, with a bright salon flowing seamlessly to the aft cockpit. Available in multiple interior configurations to match your cruising lifestyle, it offers surprising versatility for extended adventures. With a full galley and three distinct alfresco entertainment areas, this elegant yacht transforms every journey into a rewarding experience.

# ENHANCE YOUR OUTDOOR EXPERIENCES

---

---

Step into a secluded paradise, where the only sounds are the gentle waves and the distant call of seabirds.

---

Immerse yourself in tranquility, whether you're swimming, sunbathing, or simply taking in the untouched beauty of nature.

# INVITING ENTERTAINMENT AREAS

---

Whether it's a casual BBQ on the deck, sipping cocktails as the sun sets, or cruising along with good music, the open water adds a special touch to every moment. Guests can enjoy swimming, fishing, or simply lounging while taking in the stunning views. With the inherent stability of the catamaran, laughter flows naturally, making it easy to create lasting memories in a carefree setting.
